**THE STORY...**

The fight against cancer is a never-ending battle. One doesn't realize the effect it has until it hits close to home.

In 1999, cancer claimed the lives of **ROSS AMBROSIOUS AND CORY FIEL** who had the courage and fight most of us will never have.

*In honor of* these two little boys, we have planned a special golf outing at Thornberry Creek Country Club.

**WE HOPE YOU CAN JOIN US!**

All proceeds will benefit children with cancer in Northeast WI.

*All donations are tax deductible [04-3588765]*

Since the **RC Memorial Foundation** began, we have raised **over \$895,310** that has allowed us to help our community in a number of ways for the fight against children's cancer. All of the money, 100%, goes back to the community.

Today, we are a family-driven organization focused on giving to local families in need. This focus allows them to direct their attention to the children without worrying about the ever-mounting bills that come with the disease.

We **THANK YOU** for your support as do the families that receive the monies you have helped raise. The difference we make for others is truly life changing. We appreciate the generous hearts of all those who support us!

Cory and Ross would have graduated from West De Pere High School in May 2015. In their memory, the RC Memorial Foundation has established two \$1,000 scholarships that will be awarded annually. The scholarships are designed to remind young people of the importance of community involvement, helping the less fortunate and assisting others during difficult times.
